

VOL. 1

MOUNT HOLLY, FRIDAY AUGUST 31 1934

NO. 16

Yeadon Athletes Encamped at Camp Warner

This week finds the boys from Yeadon High School actually on the Rancocas and having a merry time of it. They are out for all the fun there is and they surely are getting it.

To complete the introductions of those at camp we present the following:

Russel Hoffecker: Three Letter man; football center, basketball guard, and baseball third baseman. Official League scouts have commented very favorably on this man's natural ability and third base play. A more congenial or popular athlete cannot be found; they do not exist.

Thomas Harshaw: Towering six feet, three inches, and weighing one hundred and ninety pounds without one ounce of fat, played a whale of a game as football tackle. His remarkable line play and speed down the field were outstanding. In basketball, he played center.

Thomas Downing: As football guard played a great game in this position; whether on or off the field, Downing's spirit and enthusiasm were such as to inspire his teammates; a one hundred per cent Yeadon High man.

David Mount: Few High School tackles are more outstanding than Mount. Heavy and fast, he played real football in every play in the game. In baseball, right field attract-

ed him.

George Keller: Here, gentlemen, is a man. Football guard, whose work was deadly to all opponents. Tall, fast and physically in the pink of condition always. Keller is about as serious an athlete as can be found. A training rule will never be broken by this man. Physical perfection seems to be his attained goal. In baseball, he chooses the most difficult position of catcher.

Kamp Kill Kare Reunion at Camp Orion

Camp Orion, last week-end, was the scene of the camp reunion of Kamp Kill Kare, from the Cumberland Valley. Mrs. Ryan, a former member of the camp, had as her guests at the gathering Mr. and Mrs. Paul Roy, Miss Mary Roamer, of Gettysburg, Pa.; Miss Ann Felix, of Emmitsburg, Pa., better known as our dear little "Dannyboy," Mr. and Mrs. Clifford Sparks, of Mt. Airy; Miss Louise Laverty, from the shores of Killarney Lakes, and Miss Lillian Eva Altmier, of Trenton, N. J.

Among the many activities of the day were the "rookie" quoit games of which the ladies were the victors. The Major was the referee of all the contests of the day and survived the "ordeal" very successfully. The entire program was conducted under
(Continued on last page)

Personals

Miss Louisa Higgins, last Sunday, payed La Casita a visit. Miss Higgins plans, next week to accompany the Shriners on their visit to Nova Scotia.

La Casita expects over Labor Day, to entertain Mr. and Mrs. Merle Eldredge and son Robert and Mr. and Mrs. Milton Howe and daughter Gail.

Mr. and Mrs. Irving Ofen, of New York city, will spend several days at the Lake View Cabin.

"Billerny" hospitality was extended Miss Wanda Papiernik, of Camden, the little girl with the big personality,

and "Mickey" MacConnell, of Stonehurst, the original Roving Tenor and soloist par excellence who cannot be drowned out by any quartet.

The Five Kays were unaware of your challenge, Billerny. They will meet you this Sunday.

Jack Edwards, of Harrisburg, Pa., is enjoying a week's vacation at the Tabbernackle.

The many friends of Giles Knight will be very pleased to hear that his condition is very greatly improved.

The Tabbernackle was glad of the opportunity to welcome Mr. Herbott on the creek again after his recent illness.

Miss Gladys Marshall, of the Lake View Cabin, has just returned from a vacation spent at the home of Mr. and Mrs. Harry Cadwalder, of Trenton.

Betty and Helen, of Camp Five Kays, had a short visit home in Haddonfield with Elsie. Bob and Dolly, of Camp Pine. Needless to say, they were surely glad to return to the old Rancocas.

Mr. and Mrs. Vernon Harker, of Trenton, are spending the next two

Bubble Inn guests last Sunday were Ed. Bergey, Virginia Warburton, Frank Kelsey, Virginia Kelsey, Walter Freeman, Jessie Ibner, Bob Powers, Jeanette Harvey, Ned Evans and Josephine Herman. During the activities of the day while canoeing, Evans' sudden shift of cargo was responsible for the loss of equilibrium on the part of the other passenger, Freeman, causing a slight commotion resulting in the overturning of the canoe. Yes, "Hennie" they can swim. After a reprimand from Evans, Freeman deliberately overturned the canoe a second time. Miss Harvey was also upset. Miss Her-Man Evans spent some time on the creek which as yet is unaccounted for. She says that they were canoeing—we wonder. Volley ball, swimming, dancing and a doggie roast rounded out very well the days program.

Last Sunday, Lamb Chop reported Camp Warner as somewhat improved in volley ball. Probably their pep meeting the night before can account for the lack of energy displayed during the game. Jim Banta is the "Suitcase Simson" of the Rancocas. Lamb Chop reports him as quite adept at tearing up the tapes on the court with his feet while maneuvering into position and stepping on his opponents feet when cruising along near the net.

Dr. John G. Wurtz, of Pittsburgh, visited Camp Orion, week before last, and while there made several beautiful water colors of the creek.

Major Eaton, of Camp Orion, claims the championship in beetle picking, having to date 51,680 hand-picked Japanese beetles. Now that you have them, Major, what are you going to do with them?

Billerny is justly proud of the new steps leading from the creek to the bungalow.

Up-Chuck is being refinished inside with a beautifully grained, light oak paneling.

The Tabbernackle, last Sunday, was the center of a combined party including Up-Chuck, Billerny, the Pioneers

The Creek-side News is a weekly publication issued on Friday of each week throughout the summer. Distributed to all camps between Mount Holly and Ewansville along the Rancocas Creek. One complimentary copy to each bungalow or camp. Additional copies may be had at two cents the copy.

Editorial

It is with a feeling of deep regret that the Creek-side News must, with this issue, bring to an end its activities through a very pleasant season with the many camps along the Rancocas.

It has been a pleasure working with you toward the goal of a successful season of camping and the words of encouragement have been most kind and generous. We assure you that they have been appreciated.

It even has been said of the Creek-side News that "something which for a long time has been lacking has at last been supplied the "Creekers" and that it has come to be as much a necessity to camping on the Rancocas Creek as a tent." This is most generous and, if true, we may feel that that which we set up to do has been accomplished.

It was our aim, when the first issue of the Creek-side News came off the press, to in every way possible, make your visit to the Rancocas Creek a more pleasant one than ever before. If we have in any measure succeeded in this, then all is well.

Until next year then, when we shall

have you all with us again, we say not "farewell" but wish you all "many happy returns" to the old Rancocas Creek.

Au Revoir

As Labor Day marks the close of the season for most Rancocas camps, we, the distributors of Betz Beer in Mount Holly, wish to thank you all for your loyalty to Betz and to remind you that many happy winter evenings are ahead—evenings when you will gather in some city dwelling, with Betz Beer on ice, and live over again the happy days of summer. Au revoir. Holly Sparkling Beverages, C. R. Akins' Family Liquor Store, Warren's Family Liquor Store.—Adv.

and a number of guests from Harrisburg, Pa. The outstanding guest star of the occasion was Miss Dorothy Herbott, little niece of Jules and Marty, who very charmingly rendered several popular numbers while in full costume.

Just Eight, on September 9, will celebrate the first wedding anniversary of Ann and "Soup." Folks, it's a long story of true romance. It all started on the Rancocas when Ann was introduced to "Soup." That was long ago. Ann, as a result of this meeting on the Creek, received her engagement ring and is next month going to celebrate her first anniversary in true "Creek" style.

Up the River has been changed to Peggy-Ann. The name is derived from Peggy Royle, of Westmont, and Ann Keller, of Collingswood, N. J.

Spring Water and Milk Show Marked Purity

The Yeadon Camp has, for the benefit of the Creek at large, had fair samples of both the drinking water at the spring and the milk served by Jennings' Dairy analysed by the Zeglin Laboratories, of Philadelphia, Pa., with the following result which speaks very highly for both the drinking water and the milk.

Analysis of Water from Spring

Chemical—	
Lead	Negative
Copper	Negative
Iron	Trace
Chlorides	Negative
Nitrites	Negative
Nitrogenous impurities	Negative

Bacteriological—	
Fermentation Test	Negative
Plating	5 Plates
Bacillus coli	Absent

Result: No contamination. Potable.
Analysis of Milk Sample from Jennings' Dairy

Fat	5.0%
Sugar (Lactose)	6.0%
Proteins	3.5%
Salts	0.65%
Water	84.85%
Preservatives—	
Formaldehyde	Absent

Boric Acid	Absent
Bacteria Count	48 Hours
9000 cc @ 37.5° C.
